

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

16 November 1983

NOTE FOR: C/NIC
FROM: John Horton
NIO/LA
SUBJECT: NSDD-112

Please see NSDD-112, dated 15 November 1983. This, as you will see, concerns the Grenada documents. You will remember the meeting in the DCI's office on the evening of Thursday, 10 November. I sent Talking Points to the DCI yesterday for his use with McFarlane. I assumed that everything was going ahead in a reasonable manner until we received NSDD-112 today.

I might note that I spent about half an hour in Mr. Menges' office on the 15th of November discussing mostly Grenada documents, and while this might have been an opportune time for him to mention NSDD-112, he neglected to do so.

Persons in the community who have seen this document have reacted with astonishment. I would like to get your advice on how best to proceed.

John Horton
